The Bridge

One parish, three church campuses working together to be a bridge to the fullness of life in Christ. Come share, worship, connect, serve, and learn alongside us.

Greetings, Martinsburg Cooperative Parish!

I'm thrilled to share that the Zoom Bible Study went well! It was such a wonderful experience. We explored the Epistles of Colossians, I and II Thessalonians, and I and II Timothy, engaging in enriching discussions. Thought-provoking questions ignited a more profound journey into our Christian discipleship.

I look forward to our May Bible Study as we continue this inspiring path through the scriptures. Thank you to everyone who participated in the study.

Peace & Blessings!

A Lenten Invitation

I invite you, therefore, in the name of the Church, to observe a holy Lent:

by self-examination and repentance;

by prayer, fasting, and self-denial;

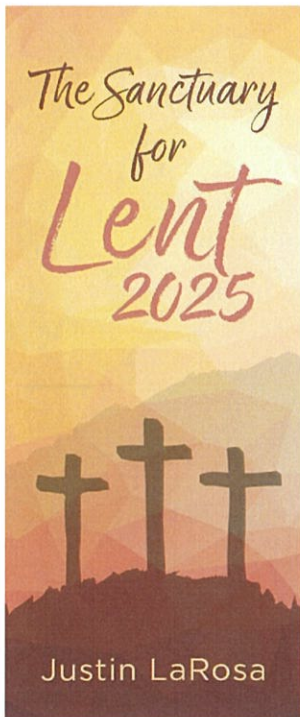

and by reading and meditating on God's Holy Word.

These are the words a pastor says during the Ash Wednesday Service, inviting those within the community of faith to be more intentional in their spiritual practices as they continue on their discipleship path.

In the November 2024 edition of the "The Bridge," we printed a copy of the Intentional Discipleship Pathway grid that has been developed by a group of dedicated folks from across the parish. We are reprinting the grid in this newsletter to remind us of the need for intentionality in our growth as disciples of Jesus Christ. Some of the spiritual practices mentioned in the invitation to an observance of a Holy Lent, such as prayer and study, are part of the grid. Others, while not cited, are also ways for us to become more deeply steeped in the habits that help us to grow in the grace and knowledge of our Lord and Savior Jesus Christ.

We commend these practices to you and invite you to engage us in conversation about how we might offer as a parish community more opportunities to participate in these holy disciplines.

Lenten Blessings,
Pastors Mayden and Sims

The 2025 Sanctuary for Lent by Justin LaRosa will be available at all MCP campuses beginning the first Sunday of March.

Each day's reading includes a scripture, a short devotion, and a short prayer or practice to guide you from Ash Wednesday to Easter Day.

You may also contact Parish Administrator, Ashley Albright, to obtain a copy.

Summer Camp 2025

It's time to start planning for Summer Camp 2025!

I thought the best way to get across the most information was to do a FAQ of common camp questions.

Q: What summer camp programs are available in the BWC?

A: We currently have 3 camps: Harmison—located in WV. Manidokan—located in Knoxville, and West River—located on the Eastern Shore. Each has its own unique camping style.

Q: What types of camps are offered at each site?

A: Harmison offers Camp Joy, a service project camp for 2 weeks during the summer. Manidokan offers a Mini Week, Day Camp, and Adventure Camps. West River offers Sailing Camp along with Discovery Camp.

Q: How much does camp cost for a week for a camper?

A: Manidokan—Mini Week is \$330, Day Camp is \$350, and overnight camps are \$595. West River—Mini Week is \$435, Sailing Camp is \$605-\$625, and Discovery Camp is \$595.

Q: Camp seems expensive. Are there ways to get some assistance with the price of camp?

A: Yes. Every year we get as much money as we can through a BWC Campership program. We can get full scholarships for those children who receive free or reduced lunch from the local school system. We also can get up to \$175 per camper up to 15 for all other campers going for a full week. No child will be turned away to attend camp based on their financial situation.

Q: What time is check-in and check-out for camp?

A: Manidokan has drive thru check-in on Sunday at 4 PM and pick-up is at 4 PM on Friday. West River, last update was drive thru check-in, based on last names, starts at 3:30 PM on Sunday. Check-out is at 6 PM on Friday.

Q: How do I register my child for camp?

A: You can register your camper through the camper site link to take you to the Campwise System. <https://www.bwccampsandretreats.com>

Q: Is there a deposit required for camp?

A: Yes, there is a \$100 deposit to hold your child's spot for camp. We do have funds available if the deposit is not financially affordable.

Q: What activities will the campers be participating in?

A: Each day campers will start with Bible Study, end with worship, they will also go on hikes, swim in the pool, take a river trip whether in a canoe or raft, team building exercise, and some high ropes. All activities are challenge by choice, but campers are encouraged to participate and try new things.

Q: What is the housing situation at camp?

A: All elementary and middle-high campers will stay in the lodges with roommates and an in-room bathroom. Based on numbers, most high school students will stay either in the lodge or cabin with the bath house being a short walk.

Q: Who will be with the campers during the day and at night?

A: There will be volunteers or staff that stay with the campers 24/7. There are also staff members that lead activities during the day with all groups.

Q: Do the staff/volunteers have to have a background check?

A: Yes, all volunteers and staff go through extensive background checks and training.

Q: Is there a nurse or qualified person providing the health needs of all campers?

A: Yes, there is a health coordinator at camp overseen by a Nurse for all treatment and care for campers.

Many people also ask, how can we help during the summer camp season?

Here are ways you can help:

Donate! We can always use funds to send our campers to camp! We always try to make sure if the parents pay the deposit, we work on fundraisers to pay the rest! There is also a wish list on the website, please check it out and if there is something you have and don't need think about donating those items!

Volunteer! We, as the MCP, work with the Ebenezer UMC in MD to provide volunteers for one week during the summer. This summer, we will be at Manidokan from July 13th to 18th, providing volunteers for elementary, middle, and high school. If you are interested in joining us, please let me know!

There are also **work days in the Spring**. If you have the skills and abilities to repair and build, consider helping those days!

Pray! Pray for the staff, volunteers, and campers!

I hope this answers most of your questions and if you have any other questions or concerns, please reach out to me! I will be happy to give as much information that is needed.

Thank you!

INTENTIONAL DISCIPLESHIP PATHWAY

Stages of Growth

Characteristics of a Disciple	Searching/Seeking	Exploring/Inquiring	Beginning/Reaching	Growing	Maturing
Worship	Questions: Is there more to life? Attends occasionally.	Attends less sporadically; feels welcomed and encouraged.	Develops a pattern of worshipping with others; feeling of "missing out" when absent.	Develops a pattern of weekly worship with others and looks for additional worshipping communities/small groups; starts to lead worship.	Worshipping the Lord in everything I do and wherever I may be. Invites others into communal worship.
Prayer	Curious about why to pray. Allows others to pray for them.	Wants to learn how to pray. Sees prayer as transactional.	Starts to pray beyond immediate needs. Intermittent prayers. Becomes more regular in prayer life.	Daily prayer that includes seeking divine guidance. Starts to pray with and for others.	Leads/helps others in developing a habitual prayer life. Understands prayer as listening; is patient with "answers." Casts all upon Jesus.
Study	Curious about God and Jesus as told in the Bible.	Starts to listen/hear/read the Bible. (Do they own a Bible?).	Seeks to deepen knowledge and understanding of scripture and how it might apply to one's life.	Applies biblical understanding of divine to life – "revelation to application."	Actively seeks enlightenment by engaging scripture daily; interprets and contextualizes content so they may grow in understanding of God's promises and purposes.

Serve	Asks "why would I serve?"	Asks "How can I serve?" Serves if asked.	Asks "Whom can I serve?" Begins serving intentionally in some capacity and notices impact.	Participates regularly in long term or multiple service projects. Seeks ways to use gifts as a servant leader in church.	Understands servanthood as a calling. Uses own gifts and invites others to use theirs in service for God's purposes.
Give	Questions merits/benefits of giving and gives occasionally – "gives change in their pocket."	Exploration of multiple aspects of giving – time, talents, treasures.	Gives regularly to a "cause" they believe in.	Gives more regularly. Strives to tithe.	Tithes. Effort to move beyond tithing (i.e., perhaps sacrificial giving). Invites others to give.
Share/Witness	From listening to others, wonders about God's message for them and if their life story has meaning for God.	Listens more intently to others' stories, then seeks relationship to begin to share out of a desire for deeper meaning in life.	Shares aspects of one's story within a small group.	Willingly and appropriately shares own story with others – realizing it may encourage them in deepening their own relationship with God.	Continues to share their story in various contexts (both inside church and beyond). Actively encourages others to explore the teachings of Jesus.
Community/Life Together	Desire to be part of something bigger than oneself and to fit in.	Starts to feel a sense of community here; attends a church event after being invited.	Attends events on one's own volition. May join a small group having realized Christ's love as a foundation for shared community.	Having gained a sense that they are part of something bigger than themselves, now feel a part of church community (i.e. family); commits to one or more groups.	Invites others into shared community; is willing to assume leadership within the community.
